

Application for Rates Deferral or Rates Payment Arrangement

Kingston City Council recognises the impact the COVID-19 pandemic is having across our community.

To help alleviate the financial hardship our ratepayers may be experiencing, Council is offering ratepayers to apply to have their rates either deferred or alternate payment arrangements made. To apply for either of these alternatives, simply fill out the form below and return it to City of Kingston Rates Department, PO Box 1000, Mentone 3194.

Your application will be assessed by our Rates team and you can expect a response within 14 days.
