## Quorum and Voting:

It is preferable that decisions of the CSAC are made by consensus however; there may be circumstances where a matter is decided by a vote. Each member is entitled to one vote, except that the Chairperson who may exercise a casting vote should this be necessary.

## Conflict of Interest and Confidentiality:

The Local Government Act identifies direct and indirect conflicts of interest which require disclosure as and when they arise. Members of the CSAC must be fully aware of their responsibilities with regard to the management of interests in relation to the discharge of their duties as members of the CSAC.

Any matter deemed by a member to represent a Conflict of Interest shall be reported to the Chairperson and the Governance Department either prior to a meeting or before the specific item is discussed and dealt with in line with the Act and any relevant Council policies or guidelines.

It is intended that the CSAC will be a forum for discussing proposed policies and actions that may impact the Kingston Community.

It is envisaged that members will be provided with information that is not available in the public realm. It will be critical that committee members are seen as a group that can be trusted with confidential information.

The CSAC’s ability to fulfill its purpose will be severely hampered if that trust is undermined in any way.

Given the level of confidentiality that will be associated with some of the information provided to members, any discussion with non-committee members is limited to information already available to the public.

Confidential discussion will not be disclosed without the Chair’s prior approval.
### Meetings:
Meetings of the CSAC will be held quarterly or more often by arrangement with the committee members and Chairperson. Under special circumstances a meeting may be cancelled or re-scheduled. A Council venue that is central for all members to access will be nominated for meetings.

It is expected that each member of the CSAC will attend a minimum of two (2) meetings each year.

The CSAC may hold joint meetings to deal with issues that cover the reach of more than one Advisory Committee.
