

To the Resident,

Aspendale Gardens garden bed upgrade

We're improving and extending Council maintained garden beds along the Aspendale Gardens Community Centre western boundary (see overleaf for details).

Timing and impacts

Works will commence late August and take approximately one week to complete, weather permitting.

During works, machinery will be in use and there may be restricted pedestrian access to the laneway between the Aspendale Gardens Community Centre and the shopping centre.

Traffic management and signage will be present around the works zone to ensure safety of the community. Parking will not be impacted.

We apologise for any inconvenience and will minimise disruption wherever possible, while maintaining a safe work site.

Further information

For further enquiries please contact Council's Open Space team via kingston.vic.gov.au/contactus
