

March 2026

To the Resident,

Upcoming roundabout landscape works in Aspendale Gardens

We're enhancing the landscape and vegetation within the Kearney Drive/Jacqueline Drive and Kearney Drive/Bianca Drive roundabouts in Aspendale Gardens to improve the aesthetics, increase biodiversity and reduce emissions and safety hazards associated with mowing.

Project details

Works include upgrading the current roundabouts by transforming the grassed areas into mulched and vegetated garden beds.

Mulching and planting will commence in mid-April and take approximately 1 week to complete, weather permitting.

Project impacts

Access to Kearney Drive, Jacqueline Drive, and Bianca Drive will be maintained throughout the works, with no detours or expected delays; however, traffic management will be in place for the community's safety.

Small machinery will be used and may cause noise disturbance at times.

We apologise for any inconvenience and will minimise disruption where possible, while maintaining a safe work site.
