## Mahala Court Reserve, Clayton South Improvements

We're improving the Mahala Court Reserve in Clayton South (*plan overleaf*). The improvements will better support and enhance the overall experience for the community using the space.

Works include:

- Removing old seating and picnic settings and installing new park furniture, including two Metro Park seats with backrests
- Extending and adding garden beds and trees
- Updating granitic paths
- Updating fencing and installing an access gate

## Timings and impacts

Completion is expected in mid-2026. This reserve will be closed during this period and there will be no access during the works. Temporary fencing will be in place to ensure safety. We apologise for any inconvenience caused and will minimise disruption where possible.
