

March 2025

Road construction works commencing on Northcliffe Road and Munro Avenue, Edithvale

From Saturday 22 March, we'll be undertaking work to increase safety and connectivity along Northcliffe Road (Station Street to Munro Avenue) and Munro Avenue (Bayside Avenue to Cliffe Lane) in Edithvale.

Following the information bulletin we sent local residents in January 2025, the work we undertake will include:

- Reconstruction of the asphalt road pavement
- New concrete vehicle crossings, footpaths, kerbs, and vehicle crossings
- The installation of stormwater drainage infrastructure

Please refer to the plan over the page for more details.

Construction details

Works are due to commence on Saturday 22 March 2025 and are expected to be completed by November 2025.

During works, there may be short-term parking restrictions and full road closures in place. Delays can be expected in the works zone. Nature strips and footpaths close to these works may be used to store construction materials/portable buildings.

The construction site will be maintained in a tidy and safe condition at all times.

Access to neighbouring properties will be maintained for the majority of the construction period. Residents with special access needs are encouraged to discuss their requirements with the contacts listed below.

Further Information

For further information please contact Supervising Engineer Chang Wuol on 1300 653 356 or email info@kingston.vic.gov.au. Construction works will be undertaken by VCrete Contractors Pty Ltd on 0412 350 332.
