ARE YOU A **STAR APPLICANT?**

The City of Kingston is proud to introduce the STAR (Straight to Advertising and Referrals) pre-application meeting process.

Our **STAR Program** reduces timeframes by working with applicants prior to lodgement to resolve key issues and ensure complete applications are lodged.

By participating in the program, Council commits to issuing public notification (advertising) and initiate referrals **within 10 business days of lodgement.**

If you think your application is suitable for this process or you would like to speak to an officer about your application, please give us a call on 📞 **9581 4131.**
