

information bulletin

To the Resident,

Amaroo Drive Playspace Renewal

A new and improved playspace is coming soon to Amaroo Drive.

Council is writing to advise nearby residents that construction of the playspace will commence in the coming weeks.

In late 2019 Council consulted with the community regarding the playspace design and we thank everyone that provided feedback. Your input helped inform the plans for the playspace.

The renewal will feature (see overleaf for more detail):

- a new playground with play equipment for children of all ages, including junior and senior combination units and a rubberised surface
- new park furniture including a drinking fountain, picnic table, park seats and picnic shelter
- new paths
- new garden beds and shade trees.

Construction impacts and timeframes

The playspace renewal and associated landscape works will commence in June and will take up to twelve weeks to complete, weather permitting.

Access to the park might be restricted whilst construction is underway as we need to ensure a safe environment.

We apologise for any inconvenience during the works and will minimise disruption wherever possible.

Temporary fencing and signage will be installed during construction works for the safety of the community.
