To the Resident/Business Owner

## Street furniture upgrade: Corner Centre Dandenong Road and Pethybridge Close, Dingley Village

As part of our ongoing investment in streetscape upgrades, Council is renewing the furniture on the corner of Centre Dandenong Road and Pethybridge Close, Dingley Village (outside the Mona Bakehouse).

The upgrade will include removing the old 'blue' table and stools and replacing them with two new bench seats (as pictured). The asphalt will also be replaced.

### Construction impacts and timing

Construction is expected to start in late September and will take up to 1-2 weeks to complete (pending COVID-19 restrictions and weather conditions).

Pedestrian access will be maintained, however the works area will be cordoned off with temporary fencing during construction for the safety of the community.

We apologise for any disruption during works and look forward to upgrading the furniture for the community.

### More information

For any further enquiries please contact Council's Open Space Team via phone on 1300 653 356 or email [info@kingston.vic.gov.au](mailto:info@kingston.vic.gov.au).
