To the Resident,

Have your say on the Jean Street Reserve and Garfield Lane upgrade

Following community feedback regarding safety and amenity improvements, The City of Kingston is exploring options to improve Jean Street Reserve and Garfield Lane.

The lack of lighting along Garfield Lane has been brought forward as a key safety issue for locals, as well as poor sight-lines through the reserve. Whilst considering other amenity and safety improvements Council is proceeding with the installation of lighting along Garfield Lane, which is currently out for tender.

Council seeks to conduct a thorough consultation with the community, focusing on safety improvements and park amenities. The first round of consultation will include:

- An online survey
- A pop-up consultation onsite to capture feedback from locals and visitors who pass through the space.

Project Timeline

The first round of consultation will be open for the month of July. Your feedback will help inform the future plans for the reserve and lane.

Concept plans will then be developed and consultation will open for a second time, so you can let us know if we got the plans right.

Improvements and construction of the new playspace in the reserve will commence in 2022.

Have Your Say

Council is keen to seek a broad range of feedback from the community to help inform Jean Street Reserve & Garfield Lane Upgrade.

You can share your views by:

- Visiting the Your Kingston Your Say web page to take part in our online survey at: yourkingstonyoursay.com.au/jeanstreereserveandgarfieldlane
- Attending the onsite pop-up consultation at **6pm Thursday 15 July 2021**.
- Making a further submission by emailing info@kingston.vic.gov.au or calling 1300 653 356.

Consultation on this project will be close **5pm Friday 30 July 2021**.
