Have your say: Peter Scullin Reserve Park Plan and Playspace Renewal

Council is planning major improvements at Mordialloc's much-loved Peter Scullin Reserve and we want to know what's important to you.

We will be building a new playground for the community and developing a plan to guide future improvements in this precinct. Please see map overleaf.

The upcoming redevelopment aims to provide an inclusive playspace for a wide range of age groups with the experience of both traditional play equipment combined with natural elements.

To ensure our plans meet the needs of the community we would like to find out how you use the park and how you would like to see the space enhanced and improved. We want you to 'Have Your Say' on the elements that need to be considered in the development of this new park plan, to ensure it reflects community needs and values.

Project time-frames

It is anticipated that concept plans will be available for consultation in mid-2021, with construction commencing in early 2022.

Have your say

Council would like to find out about your experiences and what you would like to see in your renewed Peter Scullin Reserve and playspace. To let us know what you think or for further information please contact the Public Place Projects Team on:

Web: yourkingstonyoursay.com.au/peterscullin

Phone: 1300 653 356

Email: info@kingston.vic.gov.au

Mail: PO Box 1000, Mentone, VIC 3194

Consultation on this project will be open until Friday 26 February 2021.

Help shape new projects in your neighbourhood! Council regularly seeks community input to design new projects and initiatives.
