New grass: Moorabbin Reserve main oval

St Kilda Football Club has advised Council that the main oval at Moorabbin Reserve is currently undergoing maintenance works while the football team is interstate.

The works include over-sowing the oval with Rye grass.

Impacts

Community access to the main oval will be limited while the grass germinates and grows over the next two weeks. The open-space around Moorabbin Reserve, including the front training oval will remain open for the community.

We apologise for any inconvenience during the works.

Timeframe

Maintenance works are expected to be completed by Friday 18 June.
