Dane Road, Moorabbin – Proposed Parking Changes – Outcome

Background

In February 2020, Council consulted with local residents about proposed parking changes to Dane Road, Moorabbin in response to community concerns about parking during school drop off and pick up times. To provide a balanced and flexible solution for the parking needs of parents from Moorabbin Primary School and visitors to businesses on Dane Road, Council sought feedback on the following proposal:

Option 1: Shorten the 'no stopping' zone at the intersection and introduce '10minP 8am-9:30am and 2:30pm-4pm School Days' on Dane Road in front of Moorabbin Primary School (please see diagram overleaf).

Option 2: No change to parking conditions.

Council Action

Community feedback showed majority support for Option 1 to be implemented. As such, Council will be shortening the 'no stopping' zone at the intersection and introduce '10minP 8am-9:30am and 2:30pm-4pm on School Days' on Dane Road in front of Moorabbin Primary School.

Feedback from this consultation also suggested additional spaces should be made available to accommodate the volume of parents using Dane Road during school drop off and pick up times. As such, Council will also be converting four spaces opposite the school to '10minP 8am-9:30am and 2:30pm-4pm on School Days'.

Please see the image overleaf for more details. The signage indicating these restrictions will be installed within the next 2-4 weeks.
