## Inner Harbour Drive, Patterson Lakes – Notice Regarding Installation of Temporary ‘No Stopping’ Signs

### Background

In February 2020, Council responded to community concerns regarding illegal parking along Inner Harbour Drive in Patterson Lakes. To ensure parking in the area is legal and following Australian Standards, Council will be installing five perpendicular parking spaces outside 17 Inner Harbour Drive (please see diagram overleaf).

### Council Action

Council’s contractor has been experiencing difficulty completing this job as there are usually vehicles parked at this location. To ensure Council’s contractor can complete the required works successfully, Council will be imposing a temporary ‘no stopping’ zone outside 17 Inner Harbour Drive (please see diagram overleaf).

These signs will be installed on the Thursday 16 April and removed on Monday 20 of April.

### Further Information

For further information please contact Traffic Engineer Linda Tran on 1300 653 356.
