## Lorenzo Way, Aspendale Gardens – Advisory of Parking Changes

### Background

Council is responding to community concerns regarding onstreet parking in the Lorenzo Way court bowl in Aspendale Gardens.

### Council Action

The nature strip between No.25 Lorenzo Way and No.23 Lorenzo Way is not long enough to sustain one parking space.

As a result, Council will be removing parking at this nature strip by installing yellow edge line marking along it. This yellow edge line marking will create a 'no stopping' zone at this nature strip.

The line marking will be installed within the next 2-4 weeks.
