July 2020

Audsley Street, Clayton South – Proposed Parking Changes

Background

Council is responding to community concerns regarding traffic safety on Audsley Street in Clayton South due to the current layout of onstreet parking.

Council Action

To address this, Council will be resizing and repositioning the parking bays on Audsley Street (please see diagram overleaf). This will create more space for through traffic and improve traffic safety in the area. No parking spaces will be lost.

The line-marking will be adjusted in the next 2-4 weeks.

Further Information

For further information please contact Traffic Engineer Linda Tran on 1300 653 356
