July 2020

Elliot Street, Mordialloc – Proposed Parking Changes

Background

Council is responding to community concerns regarding high levels of parking on Elliot Street in Mordialloc. To provide a balanced resolution for both long-term and short-term parking needs, Council is proposing to make changes to the parking conditions on Elliot Street.

Council Action

Council is proposing to implement timed parking restrictions on one side of Elliot Street, and would like your feedback on the following options (please see map overleaf):

- Option 1:** Introduction of '3P 9am-6pm' parking restrictions on the North (odd numbers) side of Elliot Street.
- Option 2:** Introduction of '3P 9am-6pm' parking restrictions on the South (even numbers) side of Elliot Street.
- Option 3:** No change to parking conditions.

Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to allow them to park within the restricted area. Council's Parking Management Policy allows for 2 residential parking permits per dwelling. The permits cost \$50 per year, with the fee waived for the first permit. Due to the current COVID-19 pandemic, Council has placed a hold on fees for residential parking permits until 30 September 2020.

According to Council's Parking Management Policy, all dual-occupancy and sub-divided lots granted planning advertisement after 28th of July 2015 are not eligible for residential parking permits. These developments are expected to have on-site parking as required under the Kingston Planning Scheme. To check your eligibility and apply for parking permits, please visit kingston.vic.gov.au/parkingpermit. Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.

Further Information

For further information please contact Traffic Engineer Linda Tran on 1300 653 356.

Elliott Street, Mordialloc – Proposed Parking Changes
