Avon Street, Moorabbin – Change to parking conditions

Background

In September, Council consulted residents in Avon Street in Moorabbin after receiving concerns about high levels of parking. As such, Council sought feedback on the following proposal:

- **Option 1:** Introduction of '2P 8am-5pm Mon-Fri' on the northern side (odd number) of Avon Street, between Chapel Road and Fiddes Street.
- **Option 2:** Introduction of '2P 8am-5pm Mon-Fri' on the southern side (even number) of Avon Street, between Chapel Road and No.20-22 Avon Street.
- **Option 3:** No change to current conditions.

Council Action

Community feedback during the consultation period showed support for the change with slightly more support for Option 1.

Therefore, Council will proceed with the proposed change and install the '2P 8am-5pm Mon-Fri' on the north side of Avon Street. It is expected that the signs will be installed in the next 3-6 weeks.

Please Note: Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to allow them to park within the restricted area.

Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. Additionally, all dual-occupancy and sub-divided lots granted planning advertisement after 28th of July 2015 are also not eligible. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.

To check your eligibility and apply for parking permits, please visit kingston.vic.gov.au/parkingpermit. Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.
