Bayside Avenue, Edithvale – Proposed change to parking conditions

Background

Council is responding to community concerns regarding high levels of parking at the Munro Avenue end of Bayside Avenue in Edithvale, due to nearby businesses. To provide a better overall balance of parking, Council is proposing to change the parking conditions in Bayside Avenue.

Council Action

Council is seeking your opinion on the following changes in Bayside Avenue (please see image on following page):

Option 1: Introduction of '1 1/2P 9am-5pm' parking restrictions on the south (even number) side of Bayside Avenue, between No.60 Bayside Avenue and Munro Avenue

Option 2: Introduction of '1 1/2P 9am-5pm' parking restrictions on the north (odd number) side of Bayside Avenue, between No.49 Bayside Avenue and Munro Avenue

Option 3: No change to current parking conditions.

Please Note: Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to allow them to park within the restricted area.

Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. Additionally, all dual-occupancy and sub-divided lots granted planning advertisement after 28th of July 2015 are also not eligible. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.
