Baxter Avenue, Chelsea – Proposed Parking Changes – Outcome

Background

In January 2020, Council consulted with local residents about proposed parking changes outside 18-20 Baxter Avenue, Chelsea in response to concerns about high parking volume in front of the local business over the weekend. During this consultation, Council sought feedback on the following proposal:

Option 1: Extend the current '1/2P 8am-9pm Mon-Fri' at 18-20 Baxter Avenue to include weekends.

Option 2: No change to current parking conditions.

Council Action

Council received mixed feedback from the community regarding the proposed changes. To achieve a balanced solution for customers of the local business and visitors to the community facilities over the weekend, Council will be making the following changes:

- Convert three of the five parking bays in front of the local business to '1/4P 8am-9pm' all days of the week.
- Convert two of the five parking bays in front of the local business to unrestricted parking all days of the week.

Please see the diagram over the page for more detail.

New parking signs will be installed within the next 2-4 weeks.

Further Information

For further information please contact Traffic Engineer Linda Tran on 1300 653 356.
