Bevan Avenue, Clayton South – Proposed Parking Changes

Background

Council is responding to community concerns regarding high levels of parking on Bevan Avenue in Clayton South. This area is typically frequented by visitors to the local facilities. To provide balanced parking opportunity for both residents and visitors, Council is proposing to make changes to the parking conditions on Bevan Avenue.

Council Action

Council is seeking your opinion on the following changes to Bevan Avenue:

Option 1: Introduce '3P 9am-5pm' parking restrictions for the indented car parking bays between 10 Oakes Avenue and 40 Bevan Avenue (please see diagram overleaf).

Option 2: No change to parking conditions.

Eligible residents will be able to apply to receive a residential parking permit to exempt them from the restrictions. Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for the dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.

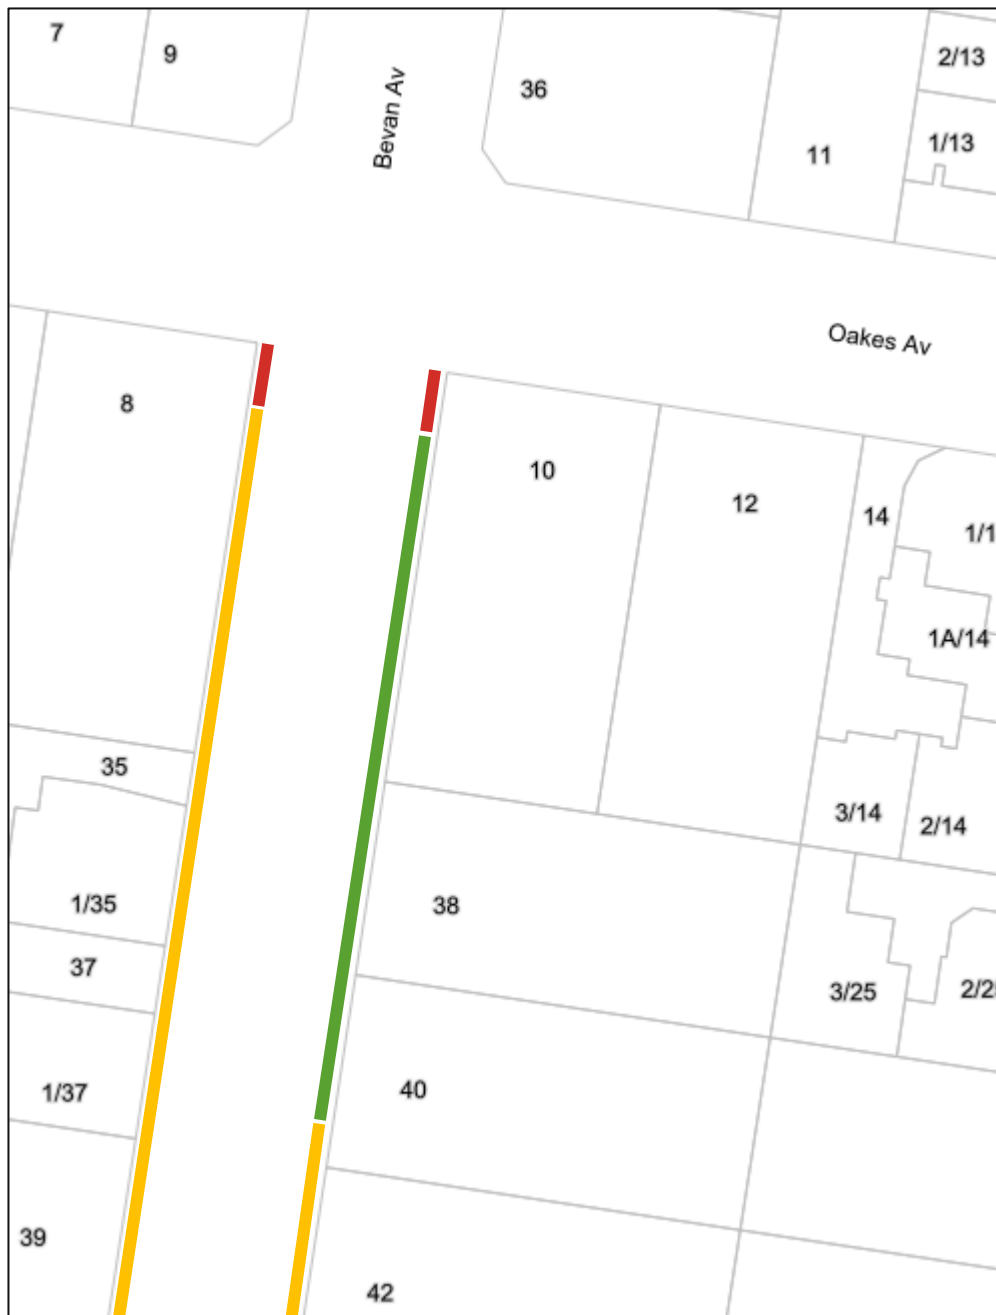

To check your eligibility and apply for parking permits, please visit kingston.vic.gov.au/parkingpermit. Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.

Further Information

For further information please contact Traffic Engineer Linda Tran on 1300 653 356.
