## Central Avenue, Moorabbin – Changes to parking conditions

### Background

In January 2018, Council consulted residents about the proposed introduction of 2-hour parking restrictions between 8am-5pm Monday to Friday and 8am-12pm Saturday on the north side of Central Avenue, from Redholme Street to Healey Street.

### Council Action

Community feedback during consultation showed a strong support for the proposed restrictions.

Council has since received additional feedback within the street. As a result of this feedback, Council will be implementing 4-hour timed restrictions 8am-5pm Monday to Friday instead of the 2-hour timed restrictions 8am-5pm Monday to Friday 8am-12pm Saturday.

Council will now arrange for the parking changes to be installed in the next six weeks.

This parking arrangement will help reduce parking demand in the street, maximising the parking available to residents living in the street.

### Further Information

For further information please contact Traffic Engineer Corey Allen on 1300 653 356.
