## Park Street, Mordialloc – Proposed Parking Changes – Outcome

### Background

In January 2020, Council consulted with local residents about proposed parking changes to Park Street, Mordialloc in response to community concerns about high levels of commuter parking. During this consultation, Council sought feedback on the following proposal:

**Option 1:** Introduce '3P 9am-5pm Mon-Fri' parking restrictions between and No.6A Park Street and No.20A Park Street.

**Option 2:** No change to parking conditions.

### Council Action

Community feedback showed majority support for no changes to the current parking conditions. As such, no further changes will be made to the parking conditions on Park Street at this stage.

Council will continue to monitor the parking conditions and provide action as necessary.
