Rashu Court, Clarinda – Proposed Parking Changes

Background

Council is responding to community concerns regarding traffic safety in Rashu Court in Clarinda. Residents have raised concerns about the lack of visibility around the bend in the court.

Council Action

Council has conducted a review of driver ability to see oncoming traffic around the bend by considering variables such as driver reaction time and vehicle speed. This review found that vehicle sightline around the bend was an issue and could be improved.

As a result, Council will install a 'no standing' zone on one side of the bend to improve vehicle sightline and movement through Rashu Court (please see diagram over the page).

The 'no standing' signs will be installed within the next 2-4 weeks.
