## Station Street, Edithvale – Proposed Change to Parking Conditions – Outcome

### Background

In January 2020, Council consulted with local residents about proposed parking changes to Station Street, Edithvale in response to community concerns about high levels of parking between Fraser Avenue and No. 247 Station Street. During this consultation, Council sought feedback on the following proposal:

**Option 1:** Introduce '4P 9am-5pm Mon-Fri' between Fraser Avenue and No.247 Station Street.

**Option 2:** No change to current parking conditions.

### Council Action

Community feedback showed majority support for the proposed changes to be implemented. As such, Council will be introducing '4P 9am-5pm Mon-Fri' parking restrictions on Station Street between Fraser Avenue and No.247 Station Street (please see image overleaf). The signage indicating these restrictions will be installed within the next 2-4 weeks.

Eligible residents will be able to apply to receive a residential parking permit to exempt them from the restrictions. Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.

To check your eligibility and apply for parking permits, please visit [kingston.vic.gov.au/parkingpermit](http://kingston.vic.gov.au/parkingpermit). Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.

### Further Information

For further information please contact Traffic Engineer Linda Tran on 1300 653 356.
