Ti Tree Avenue, Bonbeach – Proposed Change to Parking Conditions – Outcome

Background

In January 2020, Council consulted with local residents about proposed parking changes to Ti Tree Avenue, Bonbeach in response to community concerns about high levels of visitor parking due to the area's close proximity to the beach and public transport. During this consultation, Council sought feedback on the following proposal:

Option 1: Introduction of '1 1/2P 9am-6pm' parking restrictions on the east side of Ti Tree Avenue.

Option 2: Introduction of '1 1/2P 9am-6pm' parking restrictions on the west side of Ti Tree Avenue.

Option 3: No change to current parking conditions.

Council Action

Community feedback showed majority support for Option 2 to be implemented. As such, Council will be introducing 1 1/2P 9am-6pm' parking restrictions on the west side of Ti Tree Avenue (please see image overleaf). The signage indicating these restrictions will be installed within the next 2-4 weeks.

Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to exempt them from the time restrictions in the 4-hour restricted area.

Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.

To check your eligibility and apply for parking permits, please visit kingston.vic.gov.au/parkingpermit. Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.
