## 13-25 Bath Street Carpark, Chelsea – Parking Restrictions

### Background

Council is responding to community concerns regarding low turnover of car parking at the 13-25 Bath Street Carpark, meaning it is more difficult for visitors and customers to find a car parking space. Council has been working closely with Woolworths regarding the proposed solutions, as this area is subject to a management agreement between Council and Woolworths.

### Council Action

Council is proposing the following changes:

- Reduce the 2-hour timed parking restrictions within the carpark to 90-minute timed parking restrictions (excluding disabled parking spaces and 4-hour parking spaces).
- Extend the time period of the restrictions from 8am-6pm to 8am-8pm.

These changes will encourage a higher turnover of parking, increasing the opportunities for visitors and customers to find parking spaces within the area. New signs are expected to be installed within the next six weeks.

### Further Information

For further information please contact Traffic Engineer Corey Allen on 1300 653 356.
