Benkel Avenue, Cheltenham – No Changes to Parking Restrictions

Background

In December last year, Council consulted residents about proposed parking changes in Herne Close, Moorabbin.

Council sought your feedback on the following proposed changes in Benkel Avenue:

- Install 'No Stopping' signs on the bend in Benkel Avenue near No.56.

Council Action

Community feedback during consultation showed weak support for any changes to the existing parking restrictions. Therefore, Council will not arrange for any parking changes to be implemented.

Further Information

For further information please contact Traffic Engineer Corey Allen on 1300 653 356.
