## Carrier Avenue, Parkdale – Proposed Parking Changes

### Background

Council is responding to community concerns about the lack of a long-term parking in Carrier Avenue, Parkdale between Nepean Highway and Melrose Street.

### Council Action

Council has reviewed parking in Carrier Avenue between Nepean Highway and Melrose Street. The result showed that the parking is restricted to 2-hour parking or shorter on both sides of the road. The result of the investigation also showed that parking in the street can also be underutilised.

The current Kingston Parking Management Policy recommends that parking restriction such as 2-hour parking is to be implemented on one side of the road, to provide a balanced outcome for a range of road users.

As such, Council will be removing the 2-hour parking restriction on the north side of the Carrier Avenue between Nepean Highway and Melrose Street. There will be no changes to the parking restriction on the south side (where the shops are located) of Carrier Avenue. The work will be conducted in the next 6-8 weeks.

### Further Information

For further information please contact Traffic Engineer David Wang on 1300 653 356.
