## Como Parade West and Como Parade East, Mentone – Temporary School Crossing

### Background

Council is responding to community concerns about pedestrian safety and disruptions at the pedestrian crossings due to the state government's level crossing removal works at Mentone Station.

### Council Action

Council has been working with local schools and VicRoads to provide pedestrian crossings near the intersection of Como Parade West and Warrigal Road and Como Parade East and Warrigal Road. The pedestrian crossings will be in place during the level crossing removal works and will be supervised in the morning and afternoon on school days. Please see the plan overleaf for more information.

The crossing will be constructed next week and will be operational from the commencement of the school year.

The usage and effectiveness of the crossing will be reviewed following the completion of the level crossing removal works to determine if it should remain in place permanently.

### Further Information

For further information please contact Traffic & Transport Planning Engineer David Wang on 1300 653 356.
