July 2020

Keith Avenue, Edithvale – Change to parking conditions

Background

In March 2020, Council consulted residents in Keith Avenue, Edithvale after receiving concerns about high levels of parking in the street.

Council sought feedback on the following proposal:

- **Option 1:** Installation of '4P 9am-5pm Mon-Fri' on north side of Keith Avenue between Clydebank Road and No.19
- **Option 2:** Installation of '4P 9am-5pm Mon-Fri' on south side of Keith Avenue between Clydebank Road and No.20
- **Option 3:** No change to parking on the street

Additionally, to improve access to driveways Council also requested your feedback on the proposed installation of 'hockey stick' line markings either side of driveways.

Council Action

Council has reviewed the feedback from the consultation. The results showed that there were mixed views on the installation of the 4P restrictions with a similar number of votes between Options 2 and 3. Council has reviewed the detailed comments and decided to proceed with the restrictions on the south side (Option 2) however they will only be installed between Clydebank Road and No. 14 (see image over page for more details).

With regards to the hockey stick line markings, more properties supported the installation. As such, Council will install the line markings either side of all driveways between Clydebank Road and No. 20/No.19 as originally proposed.

It is expected that the signs and line marking works will be completed within the next 2-4 weeks.

Please Note: Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to allow them to park within the restricted area.

Council's Parking Management Policy allows for 2 residential parking permits per dwelling. The permits cost \$50 per year, with the fee waived for the first permit. Due to the current COVID-19 pandemic, Council has placed a hold on fees for residential parking permits until 30 September 2020.

According to Council's Parking Management Policy, all dual-occupancy and sub-divided lots granted planning advertisement after 28th of July 2015 are not eligible for residential parking permits. These developments are expected to have on-site parking as required under the Kingston Planning Scheme. To check your eligibility and apply for parking permits, please visit kingston.vic.gov.au/parkingpermit. Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.

Further Information

For further information please contact Traffic Engineer Julian Birthisel on 1300 653 356.
