Rivette Street, Mordialloc – Proposed change to parking conditions

Background

Council is responding to concerns from residents about high levels of parking in Rivette Street, Mordialloc. As such, Council is proposing to change the current parking conditions in the street to improve parking opportunities for residents.

Council Action

Council seeks your feedback on the following proposal (see image over page for more details):

- **Option 1:** Installation of '2P 8am-6pm' parking restrictions on the east side of Rivette Street.
- **Option 2:** Installation of '2P 8am-6pm' parking restrictions on the west side of Rivette Street
- **Option 3:** No change to parking on the street.

Please Note: Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to allow them to park within the restricted area.

Council's Parking Management Policy allows for 2 residential parking permits per dwelling. The permits cost \$50 per year, with the fee waived for the first permit. Due to the current COVID-19 pandemic, Council has placed a hold on fees for residential parking permits until 30 September 2020.

According to Council's Parking Management Policy, all dual-occupancy and sub-divided lots granted planning advertisement after 28th of July 2015 are not eligible for residential parking permits. These developments are expected to have on-site parking as required under the Kingston Planning Scheme. To check your eligibility and apply for parking permits, please visit kingston.vic.gov.au/parkingpermit. Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.

Have Your Say

We would appreciate your feedback and ask that you complete the enclosed questionnaire and return it to Council by 17 July 2020.
