Eveline Avenue, Parkdale – Proposed change to parking restrictions

Background

Council is responding to concerns about parking on Eveline Avenue in Parkdale, at the Parkers Road end. As such, Council is proposing to change the current parking conditions in Eveline Avenue.

Council Action

Council seeks your feedback on the following proposal (see details over page):

- Introduction of '4P 9am-5pm Mon-Fri' on the west side of Eveline Avenue between 2B and Parkers Road and increase the total number of spaces to three.
- Removal of the No Stopping on the east side of Eveline Avenue and create two unrestricted spaces.

Please Note: Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to allow them to park within the restricted area.

Council's Parking Management Policy allows for 2 residential parking permits per dwelling. The permits cost \$50 per year, with the fee waived for the first permit. Due to the current COVID-19 pandemic, Council has placed a hold on fees for residential parking permits until 30 September 2020.

According to Council's Parking Management Policy, all dual-occupancy and sub-divided lots granted planning advertisement after 28th of July 2015 are not eligible for residential parking permits. These developments are expected to have on-site parking as required under the Kingston Planning Scheme. To check your eligibility and apply for parking permits, please visit kingston.vic.gov.au/parkingpermit. Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.

Have Your Say

We would appreciate your feedback and ask that you complete the enclosed questionnaire and return it to Council by July 14 2020.

Further Information

For further information please contact Traffic Engineer Julian Birthisel on 1300 653 356.

Help shape new projects in your neighbourhood! Council regularly seeks community input to design new projects and initiatives.
