## 105 Nepean Highway, Aspendale – Proposed Parking Changes

### Background

Council is responding to community concerns regarding high levels of parking near 105 Nepean Highway in Aspendale. To provide a balanced resolution for the parking needs of this section of Nepean Highway, Council is proposing to make changes to the parking conditions at this location.

### Council Action

Council is proposing the following change:

**Option 1:** Introduce '3P 9am-5pm' timed-parking restrictions on two of the three parking bays outside 105 Nepean Highway (please see diagram overleaf).

**Option 2:** No change to parking conditions.

Residents will be able to apply to receive a residential parking permit to exempt them from the restrictions. Council's Parking Management Policy allows for 2 residential parking permits per dwelling.

According to Council's Parking Management Policy, sub-divided dwellings and multi-unit developments granted planning advertisement after 28 July 2015 are not eligible for a residential parking permit. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.

To check your eligibility and apply for parking permits, please visit [kingston.vic.gov.au/parkingpermit](http://kingston.vic.gov.au/parkingpermit). Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.
