Lower Dandenong Road, Mentone – Proposed Disabled Parking Bay – Outcome

Background

In February 2020, Council consulted with the local community about proposed parking changes to Lower Dandenong Road, Mentone in response to community concerns regarding the lack of a disabled parking option. Council sought feedback on the following proposal:

Option 1: Replace parking space at the end of the business strip with a disabled parking bay.

Option 2: No change to parking conditions.

Council Action

Community feedback showed majority support for Option 1 to be implemented. As such, Council will be replacing the parking space at the end of the business strip with a disabled parking bay (please see diagram overleaf).

The new line marking indicating this parking bay will be installed within the next 2-4 weeks.
