## Keith Avenue, Edithvale – Proposed change to parking conditions

### Background

Council is responding to community concerns about high levels of parking and difficulty exiting driveways along Keith Avenue in Edithvale.

To address this Council is proposing to change the current parking conditions to improve parking opportunities for residents.

### Council Action

Council seeks your feedback on the following proposals (see image over page for more details):

- **Option 1:** Installation of '4P 9am-5pm Mon-Fri' on north side of Keith Avenue between Clydebank Road and No.19
- **Option 2:** Installation of '4P 9am-5pm Mon-Fri' on south side of Keith Avenue between Clydebank Road and No.20
- **Option 3:** No change to parking on the street

Additionally, to improve access to driveways Council also seeks your feedback on the following:

- Installation of 'hockey stick' line markings either side of driveways to improve access to properties

**Please Note:** Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to allow them to park within the restricted area.

Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. Additionally, all dual-occupancy and sub-divided lots granted planning advertisement after 28<sup>th</sup> of July 2015 are also not eligible. These developments are expected to have on-site parking as required under the Kingston Planning Scheme. To check your eligibility and apply for parking permits, please visit [kingston.vic.gov.au/parkingpermit](http://kingston.vic.gov.au/parkingpermit). Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.

### Have Your Say

We would appreciate your feedback and ask that you complete the enclosed questionnaire and return it to Council by 17 April 2020.

### Further Information

For further information please contact Traffic and Transport Planning Engineer Julian Birthisel on 1300 653 356.

*community inspired leadership*

Help shape new projects in your neighbourhood! Council regularly seeks community input to design new projects and initiatives.
