Century Drive, Braeside – Speed cushion installation

Background

Council is responding to community concerns regarding high levels of hooning behaviour at the bowl along Century Drive in Braeside.

Council Action

To assist in the prevention of hooning activity, Council is planning to install multiple speed cushions in this section of Century Drive (see plan over page for further details).

The location of the speed cushions has been selected to prevent the level of hooning activity at this location whilst having minimal impact on truck access.

It is expected that the speed cushions will be installed in the next 4-6 weeks.

Further Information

For further information please contact Traffic Engineer Julian Birthisel on 1300 653 356.

Help shape new projects in your neighbourhood! Council regularly seeks community input to design new projects and initiatives.
