Vialls Avenue, Parkdale – Proposed Parking Changes

Background

Earlier this year Council sought feedback from the community regarding a proposed new permit zone on a section of Vialls Avenue during school drop-off and pick-up. This change was proposed in response to community concerns regarding high volumes of parking during these times.

Council apologises that the closing date of the previous consultation did not give residents adequate time to respond, therefore Council did not receive enough feedback from the community to proceed with the proposed changes.

Due to continued concerns in the community about the high volumes of on street parking during school drop-off and pick-up, Council would like to repropose the following parking changes to Vialls Avenue and is seeking your feedback on the options listed below.

Council Action

Council is seeking your feedback on the proposed parking changes to Vialls Avenue (please see map overleaf):

Option 1: Introduction of 'Permit Only 8-9:30am and 2:30-4pm School Days' restrictions on the north (odd number) side of Vialls Avenue, between No.1 Vialls Avenue and No.11 Vialls Avenue.

Option 2: Introduction of 'Permit Only 8-9:30am and 2:30-4pm School Days' restrictions on the south (even number) side of Vialls Avenue, between No.2 Vialls Avenue and No.14 Vialls Avenue.

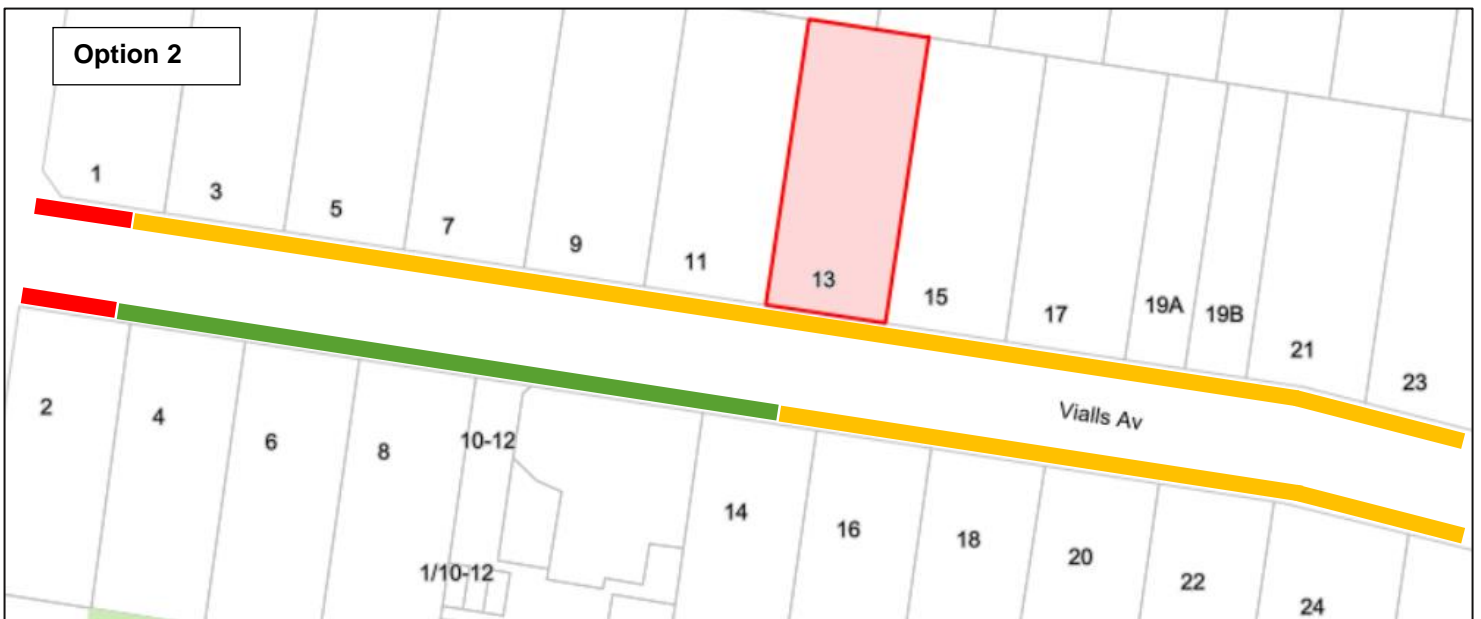

Option 3: No change to parking conditions.

Further Information

For further information please contact Traffic Engineer Linda Tran on 1300 653 356.

Vials Avenue, Parkdale – Proposed Parking Changes

- Existing No Stopping Zone
