## McDonald Street, Mordialloc – Advisory of New Pram Crossings

### Background

Council is responding to community requests to improve pedestrian connectivity on McDonald Street in Mordialloc.

### Council Action

Council will install two new pram crossings next to the speed hump near 113 McDonald Street (please see diagram overleaf). Whilst this will remove one parking space, this work will improve pedestrian access to Doug Denyer Reserve and the nearby bus stop.

Council anticipates construction for this project will commence in July 2020.

### Further Information

For further information please contact Traffic Engineer Linda Tran on 1300 653 356
