## Stayner Street, Chelsea – Proposed Parking Changes – Outcome

### Background

In April 2020 Council consulted with local residents regarding the proposal to introduce a 'no stopping' zone at 23 Stayner Street, Chelsea to improve the ease of waste collection. During this consultation, Council sought feedback on the following proposal:

**Option 1:** Introduce 'No Stopping 9am-11am Tuesday'.

**Option 2:** No change to parking conditions.

### Council Action

Feedback from this consultation showed strong support for the proposed changes.

The results from this consultation also indicated that waste collection times on Stayner Street varies greatly. As such, some residents expressed concern regarding the effectiveness of the times proposed for the 'No Stopping' zone.

Following the advice of Council's Waste Department, Council will introduce a 'No Stopping 11am-2pm Tuesday' zone at 23 Stayner Street. Please refer to the diagram overleaf for further detail.

The new signage denoting this change will be installed in the next 2-4 weeks.
