Lomandra Drive, Clayton South – Proposed change to parking conditions

Background

Council is responding to community concerns regarding poor sightlines when exiting out of No.16 and No.18 Lomandra Drive in Clayton South. Therefore, Council is proposing to change the parking conditions to make it easier for vehicles to exit the properties.

Council Action

To improve the sightlines for vehicles when exiting, Council will be installing No Stopping signs across the driveways at No.16 and No.18 Lomandra Drive (see image over page for more detail).

These signs should be installed in the next 2-4 weeks.
