Lord Weaver Grove, Bonbeach – Change to parking conditions

Background

In September 2019, Council consulted residents of Lord Weaver Grove in Bonbeach about changing the parking conditions. This was in response to concerns about high levels of parking and traffic flow improvement during the construction of the upgraded Bonbeach Lifesaving Club. Council sought feedback on the following options:

Option 1: Introduction of '1 1/2P (90min) 7am-7pm' parking restrictions on the north side of Lord Weaver Grove

Option 2: Introduction of '1 1/2P (90min) 7am-7pm' parking restrictions on the south side of Lord Weaver Grove

Option 3: No change to parking in the street

Council Action

Community feedback during the consultation showed that there is support for the proposed change with more residents supporting Option 1.

Some feedback suggested installing timed restrictions on both sides of the street. Council supports installing restrictions on one side of the road only as this provides a balance between short and long-term parking for residents and their visitors.

As such Council will proceed with the installation of the '1 1/2P (90min) 7am-7pm' on the north side of Lord Weaver Grove.

The Bonbeach Lifesaving Club upgrade is currently going through the planning process with construction due to commence in the next few months.

Once construction of the lifesaving club has been completed Council will review the restrictions in the street to determine if they are still supported by residents.

Please Note: Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to allow them to park within the restricted area.

Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for the dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

Help shape new projects in your neighbourhood! Council regularly seeks community input to design new projects and initiatives.

information bulletin

According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. Additionally, all dual-occupancy and sub-divided lots granted planning advertisement after 28th of July 2015 are also not eligible. These developments are expected to have on-site parking as required under the Kingston Planning Scheme.

To check your eligibility and apply for parking permits, please visit kingston.vic.gov.au/parkingpermit. Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.
