## Venice Street, Mentone – Advisory of Parking Changes

### Background

Council is responding to requests from the local community to include more accessible parking facilities near the Mentone Hub on Venice Street in Mentone.

### Council Action

Council will be converting one on-street parking spacing into a new accessible parking space directly adjacent to the Mentone Hub. This will reduce the existing '10minP 9am-5pm' zone by 2 metres.

Please refer to the diagram overleaf for more detail.

The existing signage will be relocated, and the new accessible parking bay will be installed in the next 2-4 weeks.
