**November 2021**

## **Isabella Street, Moorabbin, Walsh Avenue to Rowans Road, Road Reconstruction**

Council is continuing to invest significantly in Kingston's roads, footpath and drainage network to support the current and future needs of our community.

Please be advised that Council is planning works to upgrade the road and drainage in Isabella Street, between Walsh Avenue and Rowans Road.

These works will include the reconstruction of new drainage pipes and pits, upgrade of the road, vehicle crossings and footpaths. Refer to the enclosed plan for details.

### **Construction Details**

Works are expected to begin in February/March 2022 and will take around 16 weeks to complete.

We apologise for any inconvenience during the works and look forward to delivering these improvements for the community.

Closer to the time of construction an additional bulletin will be provided, with detailed information on who to contact if any issues arise during construction.

### **Further information**
