

information bulletin

November 2021

Northcliffe Road, Edithvale, Munroe Avenue to Randall Avenue, Road Reconstruction

Council is continuing to invest significantly in Kingston's roads, footpath and drainage network to support the current and future needs of our community.

Please be advised that Council is planning works to upgrade the road and drainage in Northcliffe Road, between Munro Avenue and Randall Avenue.

These works will include the reconstruction of new drainage pipes and pits, upgrade of the road, vehicle crossings and footpaths. Refer to the enclosed plan for details.

Construction Details

Works are expected to begin in February/March 2022 and will take around 18 weeks to complete.

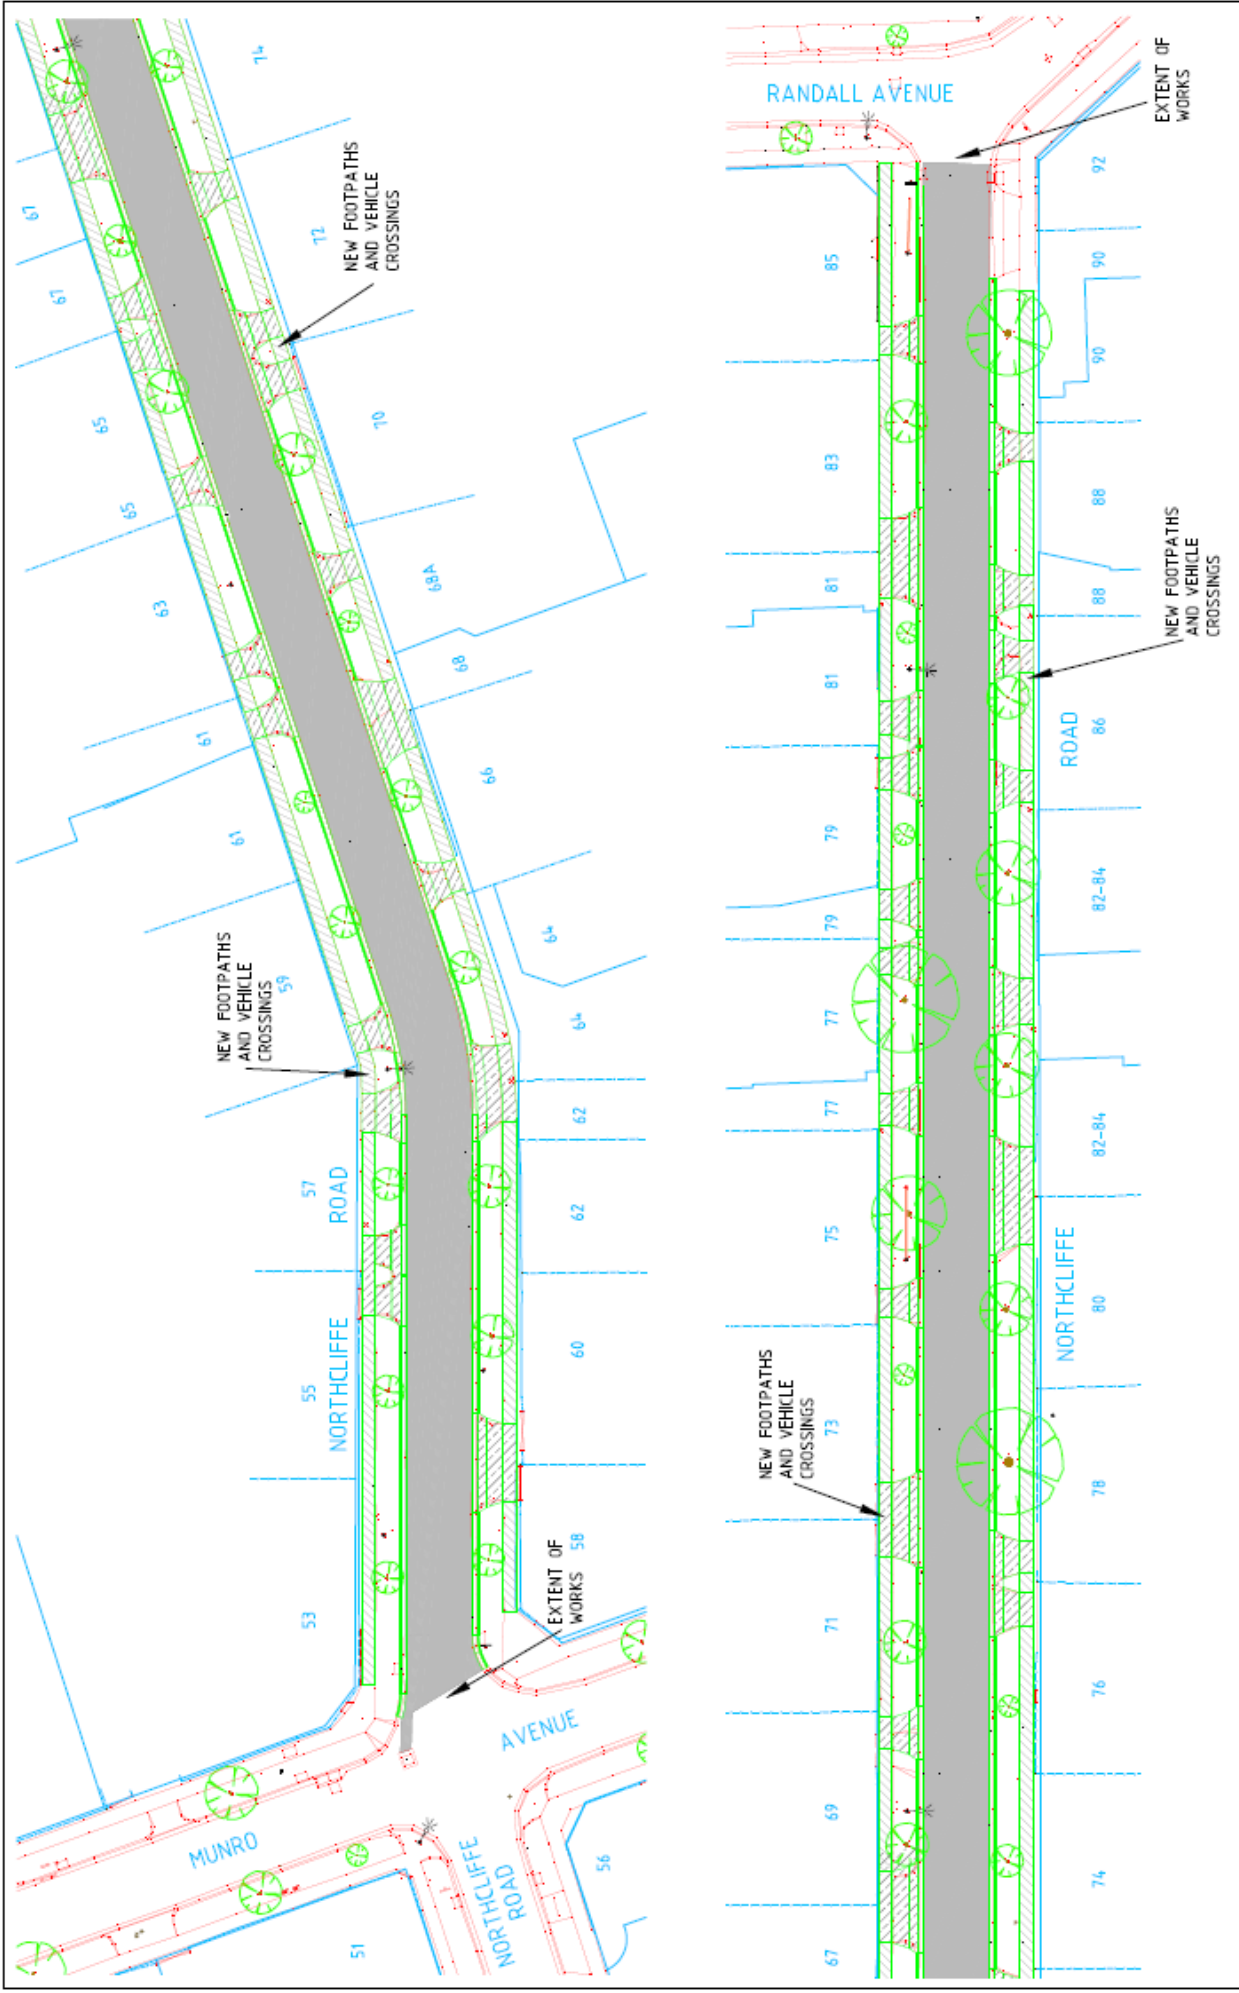

We apologise for any inconvenience during the works and look forward to delivering these improvements for the community.

Closer to the time of construction an additional bulletin will be provided, with detailed information on who to contact if any issues arise during construction.

Further information

For further information relating to the project please contact Darren Stephens from the Engineering Design team via email darren.stephens@kingston.vic.gov.au or on ☎ 1300 653 356.
