Booth Street, Parkdale – Proposed Parking Restrictions

Background

Council is responding to community concerns about high levels of parking in Booth Street between Nepean Highway and 21 Booth Street. Therefore, Council is proposing to change parking conditions within this area to improve parking opportunities for residents and visitors in the area.

Council Action

Council seeks your opinion on the following proposed changes (see diagram overleaf for further details):

Proposal 1:

Option 1 - Introduction of 2-hour parking restrictions between 8am–5pm Monday – Friday on the north side of Booth Street from Nepean Highway to No.21 Booth Street.

Option 2 - Introduction of 2-hour parking restrictions between 8am–5pm Monday – Friday on the north side of Booth Street from Nepean Highway to Melrose Street, and on the **south** side of Booth Street from Melrose Street to No.21 Booth Street.

Option 3 – No change to parking in the street.

Proposal 2:

- Introduction of unrestricted parking on the non-residential side of Booth Street between Nepean Highway and Melrose Street. The road width is over 7 metres wide and thus allows parking on both sides of the road.

Residents living adjacent or opposite the restricted parking areas would be eligible for a residential parking permit to exempt them from the time restrictions in the 2-hour restricted area. Council's Parking Management Policy allows for 2 residential parking permits per single dwelling and 1 residential parking permit per dwelling for the dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling. According to Council's Parking Management Policy, sub-divided lots with 3-or-more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. These developments are expected to have on-site parking as required under the Kingston Planning Scheme. To check your eligibility and apply for parking permits, please visit kingston.vic.gov.au/parkingpermit. Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.

Have Your Say

We would appreciate your feedback and ask that you complete the enclosed feedback request and return it to Council by Wednesday 30 October 2019. For further information please contact Traffic Engineer Corey Allen on 1300 653 356.
