## Edithvale Road, Edithvale – Changes to Parking Restrictions

### Background

Earlier this month, Council consulted residents about their opinion on the following changes to parking restrictions in Edithvale Road, Edithvale.

**Option 1** - Introduction of 4-hour parking restrictions between 9am–5pm Monday - Friday on the north side of Edithvale Road, from Clydebank Road to 43 Edithvale Road.

**Option 2** - Introduction of 4-hour parking restrictions between 9am–5pm Monday - Friday on the south side of Burns Avenue, from 14 Edithvale Road to French Avenue.

**Option 3** – No change to parking in the street.

### Council Action

Community feedback during consultation showed strong support for option 1 (see image overleaf).

Therefore, Council will arrange for the new signage (option 1) to be installed in the next six weeks.

**Please note:** Residents living adjacent or opposite the restricted parking area are eligible for a residential parking permit to exempt them from the time restrictions. Council's Parking Management Policy allows for two residential parking permits per single dwelling and one residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling. Sub-divided lots with three or more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit.

To check your eligibility and apply for parking permits, please visit [kingston.vic.gov.au/parkingpermit](http://kingston.vic.gov.au/parkingpermit). Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.

### Further Information

For further information please contact Traffic Engineer Corey Allen on 1300 653 356.
