## Keith Street, Parkdale – Parking Restrictions

### Background

In August this year, Council consulted residents regarding the below, proposed changes (see image on following page):

- Introduction of a 'Permit Zone 8-9:30am and 2:30-4pm School Days' on the south side of Keith Street, between Nepean Highway and Morgan Street.

### Council Action

Community feedback during consultation showed strong support for the proposed Permit Zone. Therefore, Council will now arrange for the parking restriction signage to be installed within the next six weeks.

Residents living adjacent or opposite the restricted parking areas are eligible for a residential parking permit to exempt them from the time restrictions. Council's Parking Management Policy allows for two residential parking permits per single dwelling and one residential parking permit per dwelling for dual-occupancy units. The permits cost \$20 per year, with the fee waived for the first permit for a single dwelling.

According to Council's Parking Management Policy, sub-divided lots with three or more dwellings, multi-unit developments and businesses are not eligible for a residential parking permit. All dual-occupancy and subdivided lots granted planning advertisement after 28 July 2015 are also ineligible. These developments are expected to have on-site parking as required under the Kingston Planning Scheme. To check your eligibility and apply for parking permits, please visit [kingston.vic.gov.au/parkingpermit](http://kingston.vic.gov.au/parkingpermit). Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.
