October 2019

Latrobe Street, Cheltenham / Mentone – Change to parking conditions

Background

Council is responding to community concerns regarding increased traffic flow along Latrobe Street in Cheltenham as a result of the Level Crossing Removal Project (LXRP) works being undertaken. As part of these works, LXRP are closing Charman Road for approximately 3 weeks between Friday 15 November 2019 and Friday 6 December 2019.

To improve traffic flow along Latrobe Street during the works, Council will be temporarily changing the parking conditions on Latrobe Street.

Council Action

Council will be installing the following temporary restrictions:

- Installation of “No Stopping 7am-7pm” on alternating sides of Latrobe Street

Please see diagram overleaf for more details.

This change will only be in place for the duration of the upcoming Charman Road closure. **The signs will be installed on Thursday 14 November 2019 and removed on Saturday 7 December 2019.**

At the completion of the road closure, Council will review the results of this temporary change and assess whether any modifications may be required for future Charman Road closures.

If you have any questions regarding the closure of Charman Road, please contact the Level Crossing Removal Project on directly on 1800 105 105 or contact@levelcrossings.vic.gov.au.

Further Information

For further information on the temporary restrictions please contact Traffic and Transport Planning Engineer Julian Birthisel on 1300 653 356.

Latrobe Street, Cheltenham / Mentone – Change to parking conditions

 Proposed “No Stopping 7am-7pm”
