## McMillan Street, Clayton South – Changes to Parking Restrictions

### Background

In September, Council consulted residents about their opinion on the following changes to parking restrictions in McMillan Street in Clayton South:

**Option 1** - Introduction of 4-hour parking restrictions between 9am–5pm Monday - Friday on the north side of McMillan Street (odd numbered side), from Audsley Street to Clarevale Street.

**Option 2** - Introduction of 4-hour parking restrictions between 9am–5pm Monday - Friday on the south side of McMillan Street (even numbered side), from Audsley Street to Clarevale Street.

**Option 3** – No change to parking in the street.

### Council Action

Community feedback during consultation showed strong support for option 1 (see image overleaf).

However, the majority of the feedback received also stated the proposed 4-hour restrictions are too long in time. Therefore, Council will arrange for 3-hour parking restrictions to be installed instead of 4-hour parking restrictions. The new signage is expected to be installed within the next six weeks.

**Please note:** residents can apply for Resident Parking Permits to exempt their vehicles from the proposed parking restriction. Residents living in a single dwelling on a lot can apply for up to 2 Residential Parking Permits, permits cost \$20 annually, with the fee waived for the first permit. Residents living in subdivided dwellings including units, townhouses and apartments can apply for 1 Residential Parking Permit, permits cost \$20 annually. To check your eligibility and apply for parking permits, please visit [kingston.vic.gov.au/parkingpermit](http://kingston.vic.gov.au/parkingpermit). Alternatively, you are also able to visit us at 1230 Nepean Highway to lodge your application.

### Further Information

For further information please contact Traffic Engineer Corey Allen on 1300 653 356.

*community inspired leadership*

## Selected Option 1 (with time adjustment)

-  Planned '3P 9am – 5pm Mon-Fri'
-  Unrestricted Parking
-  No Stopping Zone
